

North and south entrances to Augustine Boat Ramp to be repaired and repaved beginning July 9

AUGUSTINE BEACH – DNREC's Division of Fish & Wildlife announced today that a project to repair and repave the north and south entrances to the Augustine Boat Ramp south of Port Penn will begin next week.

To minimize impact on the fishing and boating public, the boat ramp and one entrance will remain open during repairs. Weather permitting, repairs will take place Monday thru Friday, July 9-13, with both entrances repaired and reopened by Friday.

For more information, please call DNREC's Fisheries Section at 302-739-9914.
